Greetings!

The more than 200 families involved with Seaholm High School's Band program are getting ready for our 19th Annual Silent Auction Fundraiser, and we'd like to invite you to work with the Band Boosters organization in this important endeavor. Many local businesses and individuals donate everything from their products and services to memberships or sporting event tickets. Whether you have previously supported this program or are looking into it for the first time, **Thank You** - with your help we can repair and purchase instruments, bring in professional musicians to work with our band students, and provide valuable support to help the Seaholm Band program continue to thrive and be a strong asset to our school and our community.

Just a few examples of past donations include a year's worth of baked goods, gift cards, tickets to a Tigers/Lions/State/Michigan game, dinner at a local restaurant, wine, use of a vacation home, a salon or spa experience, but any gift of any size or value is welcomed and appreciated. Your tax-deductible contribution will be used during the silent auction or in a raffle basket, and your organization receives recognition in the program distributed to the more than 300 Birmingham-area parents and students who attend the event. Donations need to be submitted by February 16, 2018. There are also opportunities for advertising in the evening's program.

This year's event will be held on March 23, 2018 at the Auburn Hills/Pontiac Marriott and as always, features Seaholm's fantastic Jazz Bands who will be performing throughout the evening. Come join us for dinner, dancing and to experience the live music and auction. It's a wonderful evening for our community!

On behalf of the 237 students currently in Seaholm band, as well as the hundreds of children from Derby, Covington, Berkshire and the local elementary schools who are learning to play an instrument so they can soon be part of this group of great kids who bring music to Maple Field and beyond, thank you for supporting our young musicians!

Sincerely,

Courteney Gettel
