

## Seaholm Bands Blanket Trip Form

Throughout the course of a school year, the band has the opportunity to travel to performances at district and state festivals and other venues in the community. This provides a greater exposure for student performances than can be achieved through concerts alone and gives students the opportunity to hear other performers as well. Some performances occur in the evenings and weekends, and some occur during the school day.

Off-site performances are considered field trips by the district. To that end, please fill out and return the "Blanket Field Trip" form to Mr. Cibor or Ms. Wolfe.

\_\_\_\_\_ has my permission to participate in off-school site activities with the Seaholm Band for the 2016-2017 school year. Furthermore, it will not be necessary for my son/daughter to have a permission slip signed by me each time s/he leaves Seaholm to participate in the above activities.

If, in the event of an emergency, I/we cannot be reached, you are to contact the following person:
