NEW MEMBER ORIENTATION

April 2017

To all incoming Seaholm Band freshman, new members, and parents:

Greetings! This letter is to welcome you to our band family. Please read the enclosed packet for the necessary information concerning the upcoming Band Camp, July 31-August 4.

*****Freshmen members:** you will have a brief and very informal rehearsal at Seaholm with me, our section leaders, and drum majors on Sunday, July 30th from 5:30-8:00 PM. The purpose of this rehearsal is to give you a “head start” on the techniques you will learn throughout the week of band camp. Dinner will be served after the rehearsal.

*****Freshmen parents:** there is a special meeting for incoming freshman parents as well on Sunday, July 30th **This “Meet & Greet” gathering will be held from 7:00 – 8:00 PM in the Seaholm choir room.**

*****Please park in the teacher lot on Lincoln Ave.**

This meeting is to address any questions you may have, as well as show you the various ways you can help our program. I hope to see you there!

We have heard many wonderful things about the incoming band freshman and are looking forward to integrating your many talents into our exceptional band community.

We hope you all have a safe and relaxing summer--camp will be here before you know it!
